

BBN Steel Product

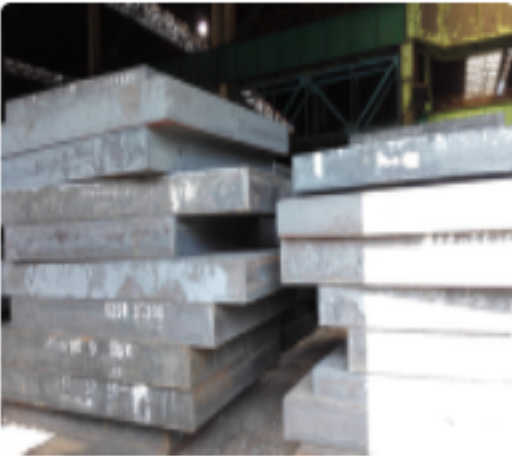

BBN gradually formed four major advantageous products: steel plate, steel pipe, stainless steel, profile steel, special steel, and established our own Machining processing center in order to meet customer's diverse requirements.

Steel Plate

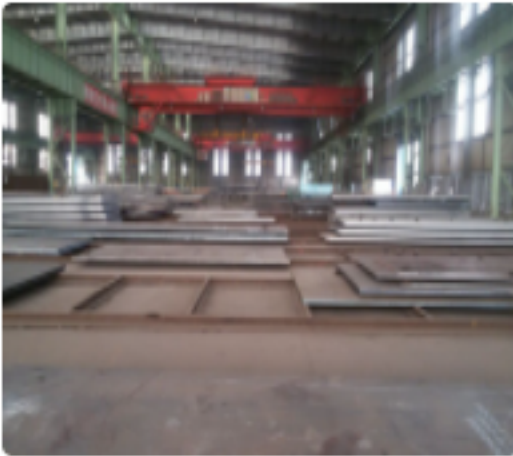

VIEW MORE PRODUCTS >

ASTM A36(A36) Carbon Steel Plate

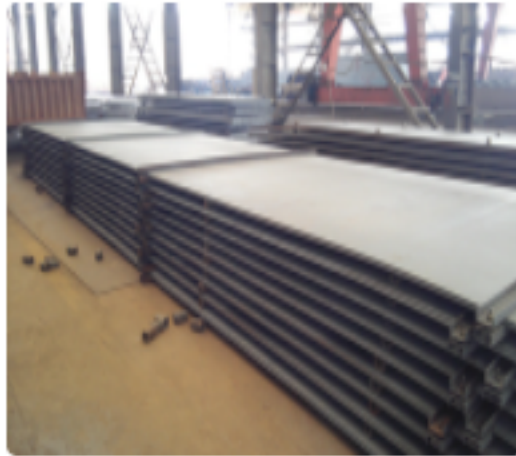

DIN17100 St52-3 Carbon and Low-alloy High-strength Steel

JIS G3101 SS400 Carbon and Low-alloy High-strength Steel

EN10025-2 S355JR Carbon and Low-alloy High-strength

ASTM A283Grade C(A283GRC) Carbon Steel

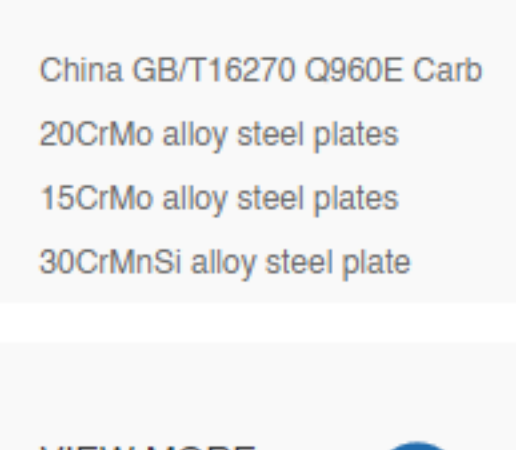

ASTM A516 Grade 70(A516GR70) Pressure

Corten B Weather Resistant Steel Plate

ABS Grade AH36 Shipbuilding Steel Plate

China GB/T16270 Q960E Carb
20CrMo alloy steel plates
15CrMo alloy steel plates
30CrMnSi alloy steel plate
