## Performance Pipe

### Dependable Performance

Performance Pipe — a division of Chevron Phillips Chemical Company LP — is the largest producer of polyethylene piping products in North America, with more than 40 years of proven performance, quality and innovation in natural gas, industrial, municipal, mining, oilfield and utility applications.

### Our Performance Pipe Advantages

#### Strengths

- Proprietary DriscoPlex® polyethylene materials
- Resists chemicals and corrosion
- Ideal for trenchless applications

#### Benefits

- Lower lifecycle costs
- Lightweight, flexible
- Environmentally sound

## Applications

### Municipal

Our piping components are made from pressure-rated, high-density polyethylene to meet the stringent demands of municipal water distribution and transmission systems.
